

Buck Up Rides

Welcome to Buck Up Rides! Our goal is to give riders of all ages an everlasting bond with horses. Whether you are new to horses, rode as a kid, or just haven't found where to go. We are located in gorgeous Carlsbad, CA. A great place to go for a little fresh air and some peace from our busy lives. Close enough for that after school program for your child, or ditch the GYM and have fun exercising outdoors. Lessons starting from basic grooming to show quality horsemanship. We have Trail Riding options too! With our Guided Trail Rides, we offer everyone the chance to feel what life may have been like when it was simple. Have your own horse that is giving you a few problems? I can help you! With conditioning, communication, and anywhere you may feel need for improvement. I can also take the stress away by coming to YOU.

We Provide several different options from Trial Rides, Lessons, Training, and Morning hand lead walks with the horses and coffee.
