

Sky's the Limit Ballooning Adventures

Del Mar Coastal Champagne Evening Adventure

Our Del Mar hot air balloon ride runs 45 minutes to 1 hour. We will be flown over the beautiful Southern California coastline and its gorgeous sunset, surrounded by the multimillion dollar homes of the rich and famous such as "Bill and Melinda Gates", and the luxurious golf courses of Del Mar, are the highlights of our evening balloon adventure

What should I wear?

Ballooning is an outdoor sport activity; wear the type of clothing you would expect to wear on a walk into the great outdoors. Jeans or shorts, no open toed shoes or sandals. Flat-soled shoes are recommended. A light sports coat or jacket would be a good idea for after the flight. Attention women, we recommend not wearing a dress or skirt, it will be a little awkward climbing into and out of the basket. For you tall guys well I really don't know what to tell you other than a good cap will protect you from our 16 million BTU burners.

Can we fly all year long?

Yes, Yes, Yes we can fly 310 days a year due to our usually great weather here in San Diego.

How many people can fly at once?

Our baskets range in size from 2 to 8 passengers. In the larger balloon we have separate compartments that carry 2 passengers each so there is ample room for everyone.

Can I take a camera?

Of course you may bring along a camera! This is a once in a lifetime experience! We wouldn't want you to miss anything. You may bring a video camera also. Do not forget to bring lots of films and extra batteries!
